

Dear friend, fly fishermen and all the others

As you have heard Serbia, my country, has been hit by the worst floods in its entire history. Rainfalls, floods, landslides... There is an estimated thousand and thousand displaced person. The number of casualties remains unknown. Lot of people have lost their friends, homes, family members. Entire villages and towns have been completely destroyed by landslides and floods. There are a lot of wounded, injured and sick persons, unfortunately.

The people of Serbia need your help urgently!

I am asking for help.

Please, donate if you can. Here are the payment instructions. You can make payment in Pay Pal account
